

Approvals • Applications • Housing

Family	Attributes	Applications	Housing	Approvals
GKM	Key switch – very small, cable/connector fitted	Small doors and apertures	Glass-filled polyester	UL/CSA, CE
FF (NEW)	Contact-less door detection; very small, cable/connector fitted	Small doors and apertures	ABS resin filled, stainless steel	UL/CSA, CE
924 CE	Safety switch - very small, cable/connector fitted	Small doors and apertures	Die cast	UL/CSA, CE
GKE (NEW)	Key switch – small standardized housing	Small doors and apertures	Glass-filled polyester	UL/CSA, CE, CCC
GKN (NEW)	Standard offering, three conduit for many applications	Small/medium doors and apertures	Glass-filled polyester	UL/CSA, CE, CCC
GKS (NEW)	Medium Duty – Trapped Key Interlock	Where access to the machine / process must be controlled	Glass-filled polyester	UL/CSA/CCC
GSS-Hinge	Mounted to the door hinge – detects door angle	Medium/large doors and apertures	Glass-filled polyester/die cast	UL/CSA, CE
GSS	Global safety switch	Medium/large doors	Die cast	UL/CSA, CE
GK	Heavy-duty key switch	Large heavy duty door applications	Die cast	UL/CSA, CE
GKL/R	Heavy-duty key switch/solenoid lock	Large heavy duty door applications – machine momentum	Die cast	UL/CSA, CE
CPS	Single/dual head-rope pull	Conveyor applications and machine perimeter / multiple e-stop replacement	Die cast	UL/CSA, CE
